Dear Athletes & Fans,

**Carlotti Cosmetic Surgery Center** and **Peak Nutrition** is presenting the NPC Thunderdome April 21<sup>st</sup> & 22<sup>nd</sup> held at the awesome Mesa Arts Center located at 1 East Main Street, Mesa AZ. There will be sponsors showing all the latest in the Fitness world. Come on out and have a great time!!

## **MENS PHYSIQUE POSING: PER THE NATIONAL OFFICE**

Men's Physique will do **HALF TURNS ONLY**. I suggest going online to see how they are doing the half turns on the National Level.

Judges will be looking for fit contestants who display proper shape and symmetry with muscularity and over all condition. This is not a bodybuilding contest, so extreme muscularity is not necessary. Contestants will be asked to walk in board shorts just above the knee. No shirt or shoes will be worn. No lewd acts will be allowed! Judges will be looking for the contestant with the best stage presence and poise who can successfully convey his personality to the audience.

## **NEW BIKINI POSING: PER THE NATIONAL OFFICE**

Bikini poses - Walk to the center of the stage , stop and do a front stance, then a full turn and do a back stance, then turn to the front again and face the judges as directed then proceed to the side of the stage. No lewd acts are permitted. The judges can advise the athletes at the meeting if their legs are too far apart or if they bend over too far, they will be scored down.

**Miles Productions – NPC Arizona**  
**NPC Judging**

I would like to explain how, under my direction as the Arizona NPC chairman and per NPC rules; the judging is done at all NPC shows in Arizona.

- Every one of our judges has to go through a 3 to 4-hour certification course offered every year in February. (To those interested this is a free course)
- Each new potential judge must test judge twice at an Arizona NPC show and must pass with an 80% or higher score.
- Each judge at every show is required to sign an Ethics Agreement.
- Personal trainers that prep their athletes for an NPC Arizona show are not allowed to participate on the judging panel. (For Very Obvious Reasons!)
- Sponsors of the show cannot judge. (Again, For Very Obvious Reasons!)
- Each judge will be introduced to all the athletes at the prejudging meeting.
- After each judge is introduced, I tell all the athletes that if there is a judge on the panel that you do not want judging your class, please let the Head Judge know, and he or she will be removed from your class. No questions asked! However, you must tell the Head Judge before the prejudging starts.
- The Head Judge does not judge. He or she is totally focused on all the call outs.
- The Head Judge will usually call out 7 athletes for the first comparisons. Traditionally there are usually 5. I have directed the Head Judge to do this so the other judges have a better opportunity to compare athletes. If a judge thinks someone is possibly being over looked, he or she can ask the Head Judge to have that athlete added to the mix. This way all the judges have an opportunity to include who they believe should be included in the comparisons. This seldom ever happens, but it is a safe guard I have put in place.
- The high and low scores are thrown out.
- Judges are to have no communications, including electronic communications, with any of the Athletes, Trainers, Audience, Family Members and/or Friends, until after the final placing's have been announced and the trophies handed out.
- We encourage every athlete to talk to the judges **after** the finals. This is the best time to do this. The show is fresh in their mind!
- The judge's dress code is strictly enforced and each judge is to act in a professional manner always. They are also encouraged to do this even outside of the show when doing any activity that may be considered NPC business.
- We have a lot of tools in the tool box to keep things honest and fair.
- Politics?? **There are NONE!!**
- I encourage everyone to take the free judging clinic including athletes and personal trainers so they know what the judges are looking for {It surprises me how few show up. Everyone should go and ask questions and voice your opinions!!} I have always stated that the Athletes make the best judges. They know how much hard work goes into prepping for a show. I think they especially give the most attention, effort and respect that the athletes on stage deserve!!

I will leave you with this thought. I ask this at all prejudging meetings; “Have you ever sat down with a friend or loved one and agreed on all the placing's after the trophies are handed out? Please raise your hand.” To this day no one has ever raised their hand. This sport is subjective!!

Something else I always state at the meeting. “When your Mom, Dad, significant other, friends and especially, your personal trainer, tells you “You got ripped off!!” What do you think the Moms, Dads, significant others, friends and Personal Trainers are saying about their athlete that finished behind you? Let's take a guess, shall we. “We got ripped off!!” You are laughing right now because you know it's true?

Please come to the next Judging Clinic this February and voice your suggestions, concerns and questions. This is your state. You're NPC! Please get involved.

Thank You,

Miles Nuessle, AZ NPC Chairman - Bill Passmore & Z Zellers AZ NPC Vice Chairman
