

PRESENTS THE
2018 NPC TERMINATOR

Prejudging Begins Saturday, July 14th @ 10:00 AM

Finals Begin Saturday, July 14st @ 6:00 PM

Location: Fox Theater 17 W. Congress St. Tucson, AZ

All Athletes will compete at the Finals on Saturday night!!!

Dear Athletes & Fans:

The NPC Terminator is a week before the Arizona Open July 20th & 21st in Mesa, AZ at the Mesa Arts Center. The NPC Terminator is a great show to do before the Arizona Open. You will have a week to fix the little things that add up to BIG things. Water, carbing down, carbing up, suit or shorts, skin tone, hair, makeup and the biggest one, STAGE PRESENCE. For example, Giorgio Giuranella competed in the NPC Tucson show and did not make the top 5. Then the very next week at a NPC Mesa show, he not only won his class but he won the overall! Heather Butrum took second at the NPC Tucson show, and then the following week in Mesa won her class and the overall! Without that first show Giorgio and Heather would not have the knowledge and the confidence to win overall titles the following week. I wish when I was competing we had shows back to back. I worked so hard I wanted to do more shows than just the one. Unfortunately, I had to wait weeks in between and had to spend time and money going out of state instead of traveling by car 1½ hrs to compete the very next week.

Dear Athletes & Fans:

The NPC Terminator is going to be awesome. Kim and I are so excited to see you on stage. We are going all out for our amazing athletes. The Fox Theater is breathtaking. You, your friends and family will be very impressed.

The awards you will receive for all your hard work are beautiful Neil Andersons sculptures and will be presented to the top 5 in every class. Class winners will receive a large sculpture and the overall winners will receive a huge sculptured masterpiece!

As always, there will be a complete pump up room with plenty of weights. Treat tables featuring, but not limited to; pop tarts, fruit, cookies, candies, granola bars Gatorade water, etc....

I'm very proud to have the BEST expeditors (Red Shirts) in the business to help you feel comfortable and answer any questions you may have, and of course to keep you on time. They are here to serve you, our customer.

The entire show will be run on a posted schedule. Each and every class will be time stamped. You will know when your class will be on stage. Please go to npcmilesproductions.com to see the schedule. This will be up on the website by 11:00 PM Friday evening.

You will receive a tremendous amount of time on stage. We have what we call the "line of victory" at the night show. Body Builders, Men's Classic Physique and Women's Physique will pose to music. All other classes will perform a fun Model or Athletic walk on stage while your Bio (provided by you) is read on stage.

Thank you so much for competing with Miles Productions. Please let us know how you enjoyed your experience and if you have any suggestions to make our shows even better.

Miles Nuessle - NPC AZ Chairman miles@miles151.com

There will be sponsors showing all the latest in the Fitness world. Come on out and have a great time!!

****NEW INFORMATION****

TO QUALIFY FOR NATIONAL COMPETITION, YOU MUST PLACE IN THE TOP TWO IN AN OPEN CLASS.

PER NATIONAL OFFICE: ALL CLASSES CAN NOW CROSS OVER INTO EACH OTHER.

Bodybuilding and Classic Physique can cross over into each other. If a competitor crosses over from Bodybuilding into Classic Physique, he will perform his routine 1 time in Bodybuilding and 1 time in Classic Physique.

“TRIPLE CROWN TROPHY”

We are going to do something different this year for the NPC Miles Production Shows. It is called the Triple Crown Trophy. To win the Triple Crown Trophy you must take first in three different NPC Miles Production shows. We have eight shows throughout the year. The three wins can come from any class. For example; you could win the Novice, Masters or an Open class. You can only count one win from each show. This means if you win Novice and an Open class in the same show only one of these wins can count toward the Triple Crown.

You must notify us ASAP when you have three firsts in three separate shows and you believe you qualify for the Triple Crown. All Triple Crown Trophies will be given out on stage in a ceremony at the NPC Felicia Romero/Western Regional Classic in November.

If you have two wins and are planning to compete in the Felicia Romero/Western Regional Classic (last show of the year) for a chance on your third win, you must notify us by email three weeks prior to competing. If you win your class at this show and qualify for a Triple Crown Trophy, find the head expeditor, Z as you leave the stage. He is one of the red shirts and is usually wearing a hat that has a “Z” on it. Z will give you directions on when to be on stage for the Triple Crown Ceremony. Good luck to all, Miles and Kim Nuessle, AZ NPC Chairman Zellers and Bill Passmore, AZ NPC Vice Chairman

LIVE STREAMING

We are now offering live streaming. I know a lot of you, like my wife Kim, are from a different state. That can make it very difficult if not impossible for your family and friends from your home state to attend the show. So, by popular request, we now have Live Streaming. Now your family and friends can watch you *live* on their computer screen at home or wherever they are.

Please have them go on the home page of npcmilesproductions.com where they will see the directions on how to watch the show.

(Yes, they can see the Prejudging and the Finals)

Listed on the home page will also include the Schedule of Events. This includes estimated times of each class to appear on stage, so your family will not miss your performance. This will be posted by 11:00 PM Friday

Miles Productions – NPC Arizona

NPC Judging

I would like to explain how, under my direction as the Arizona NPC chairman and per NPC rules; the judging is done at all NPC shows in Arizona.

- Every one of our judges has to go through a 3 to 4-hour certification course offered every year in February. (To those interested this is a free course)
- Each new potential judge must test judge twice at an Arizona NPC show and must pass with an 80% or higher score.
- Each judge at every show is required to sign an Ethics Agreement.
- Personal trainers that prep their athletes for an NPC Arizona show are not allowed to participate on the judging panel. (For Very Obvious Reasons!)
- Sponsors of the show cannot judge. (Again, For Very Obvious Reasons!)
- Each judge will be introduced to all the athletes at the prejudging meeting.
- After each judge is introduced, I tell all the athletes that if there is a judge on the panel that you do not want judging your class, please let the Head Judge know, and he or she will be removed from your class. However, you must tell the Head Judge before the prejudging starts.
- The Head Judge does not judge. He or she is totally focused on all the call outs.
- The Head Judge will usually call out 7 athletes for the first comparisons. Traditionally there are usually 5. I have directed the Head Judge to do this, so the other judges have a better opportunity to compare athletes. If a judge thinks someone is possibly being over looked, he or she can ask the Head Judge to have that athlete added to the mix. This way all the judges have an opportunity to include who they believe should be included in the comparisons. This seldom ever happens, but it is a safe guard I have put in place.
- The high and low scores are thrown out.
- Judges are to have no communications, including electronic communications, with any of the Athletes, Trainers, Audience, Family Members and/or Friends, until after the final placing's have been announced and the trophies handed out.
- We encourage every athlete to talk to the judges **after** the finals. This is the best time to do this. The show is fresh in their mind!
- The judge's dress code is strictly enforced, and each judge is to act in a professional manner always. They are also encouraged to do this even outside of the show when doing any activity that may be considered NPC business.
- We have a lot of tools in the tool box to keep things honest and fair.
- Politics?? **There are NONE!!**
- I encourage everyone to take the free judging clinic including athletes and personal trainers, so they know what the judges are looking for {It surprises me how few show up. Everyone should go and ask questions and voice your opinions!!} I have always stated that the Athletes make the best judges. They know how much hard work goes into prepping for a show. I think they especially give the most attention, effort and respect that the athletes on stage deserve!!

I will leave you with this thought. I ask this at all prejudging meetings; “Have you ever sat down with a friend or loved one and agreed on all the placing's after the trophies are handed out? Please raise your hand.” To this day no one has ever raised their hand. This sport is subjective!!

Something else I always state at the meeting. “When your Mom, Dad, significant other, friends and especially, your personal trainer, tells you “You got ripped off!!” What do you think the Moms, Dads, significant others, friends, and Personal Trainers are saying about their athlete that finished behind you? Let's take a guess, shall we. “We got ripped off!!” You are laughing right now because you know it's true.

Please come to the next Judging Clinic this February and voice your suggestions, concerns and questions. This is your state. You're NPC! Please get involved.

Thank You,

Miles Nuessle, AZ NPC Chairman - Bill Passmore & Z Zellers AZ NPC Vice Chairman
