## ***THE TRIPLE CROWN AWARD***

To win the triple crown award you must place first in any division at 3 different Miles Production events. There are five Miles Production events in 2020 – the NPC Terminator, the NPC Natural Outlaw, the NPC AZ Open, the NPC Terminator and the NPC Megatron. If you receive more than 1 first place at one of the 5 shows you still need to place first in two other shows.

Winners of the Triple Crown will be introduced at the NPC Megatron in November. We will invite you to come up on stage at the evening finals. The MC will read your bio that you provide talking about your journey to winning the Triple Crown at 3 different NPC Miles Productions events. On stage we will present you with an awesome full-size sword with your name and the shows you placed first in engraved on a personal plate.

Please let me know ASAP when you qualify for the award. If you are using the NPC Megatron as your third chance to win the Triple Crown, please let me know at least 2 weeks out.

Good luck and have fun, Miles

# WOMEN'S WELLNESS

## What is the Wellness Division?

This division is for females with athletic physique's that showcase more body mass in the hips, glutes and thigh areas. The upper body is developed but not to the same degree as the lower body.

## Posing and Presentation

- **Front:** Competitors will face the front with one hand on the hip, one arm straight down and one leg slightly extended. We do not want to see the arm off to the side with the elbow bent and the wrist bent upwards.
- **Quarter turn Right:** Competitors will turn slightly facing the judges with the right hand on the hip and the left arm straight down, and right leg bent at the knee. More like a twisting side pose that Bikini competitors perform. We do not want to see the arm off to the side with the elbow bent and the wrist bent upwards.
- **Quarter turn Rear:** Competitors will face the rear with lower back arched, with the glutes pushed back. We do not want to see the arm off to the side with the elbow bent and the wrist bent upwards.
- **Quarter turn Left:** Competitors will turn slightly facing the judges with the left hand on the hip, right arm relaxed and the left leg bent at knee. We do not want to see the arm off to the side with the elbow bent and the wrist bent upwards.
- **Model Walk:** As it is currently performed in the Bikini Division. Listen to the instructions from the Head Judge.

\* As with All Other Divisions, No Lewd Acts Are Permitted and will result in automatic disqualification. \*

\* We do not want to see the arm off to the side with the elbow bent and the wrist bent upwards as seen below. \*

## MORE FREQUENTLY ASKED QUESTIONS:

### **Level of conditioning?**

We are looking for conditioning almost on par with Bikini athletes, but the athletes will have slightly more muscle. We want to see a little body fat with slight separation but no striations.

### **Abs defined like Figure or less defined like Bikini?**

As it currently is in Bikini.

### **Shoulders? Rounded & Capped like Figure and Women's Physique or less pronounced like Bikini?**

Slightly more developed than Bikini and a little less than Figure, but not as lean and with no striations. Not like Women's Physique.

### **How much definition for quads?**

The quads should display an athletic appearance with slight separation but no striations. Not as lean and defined as Figure and Women's Physique.

### **Glute Development?**

Full round glutes with a slight separation between the hamstring and glute area but no striations, as is in place for the Bikini Division. Glutes will be bigger than current Bikini competitors. They will not be as lean and defined as Figure and Women's Physique.

#### **Rules & Restrictions on suits?**

NPC, NPC Worldwide & IFBB Professional League Wellness Competition Suits have the same rules that are currently in place for all our other divisions. Suits can be customized with "bling". Competitors will compete in a two-piece suit. Unlike a Figure, Fitness or Women's Physique competition suit, the top is not connected to the suit bottom.

The suit top is the same standard that is currently in place for the Bikini division.

The suit bottom must be V-shaped in the front and is traditionally all material with no connectors and sits high up on the hips. The cut of the suit back is the same standard that is currently in place for the Bikini division. No Thongs and No T-back suits allowed.

\*You also have the Option to wear a Competition Bikini style bottom that has connectors. You will not be scored any differently if you choose to compete in this suit bottom.

All swimsuits must be in good taste. Athletes will be warned about improper suits and are advised to bring two (2) suits to check in. Athletes will be scored down if the suit is not up to standard.

*\*Note: The NPC, NPC Worldwide and IFBB Professional League Have Not Authorized or Granted the license, authority or exclusivity to any competition suit company or designer to be their Official Suit Maker and to advertise their suits as an Official Cut or Approved Cut. There has never been an Official or Approved "Pro Cut Bikini" for Any Division! That term was erroneously created by suit makers.*

#### **Rules & Restrictions on shoes and heels?**

Shoes and heels same rules that are currently in place for the Bikini division.

#### **Rules & Restrictions on jewelry?**

Jewelry same rules that are currently in place for the Bikini and Figure divisions.

#### **Rules & Restrictions on posing oil or not?**

No Posing Oil but can be "glazed" as is currently done for the Bikini and Figure divisions.
